Important Notes

- The price list is valid from 1st January 2021 and replaces all previous price lists for services.
- Each started working hour will be invoiced as full working hour.
- The service staff will be used as per requirements or as per the available personnel capacity.
The decision will be taken by Kabelmat Wickeltechnik GmbH.
- Work and travels on Sundays and public holidays will only be made on special request of the orderer.
- The rates of charges abroad are listed in the subsequent chart.
- The indicated prices and conditions are without the legal VAT.
- Within the scope of a service order, at least one (1) hour preparation time will be invoiced in addition to the working and travelling times stated in the service record.
- The preparation time includes general services such as technical preparation of the service, supply of spareparts and order processing.
- Within the scope of an international service order, at least one (1) further hour for preparing deployment papers will be invoiced in addition to the working and travelling times stated in the service record.
